

Update

Since the latest Newsletter went to “press”, John Rostill, Chief Executive, NHSRF, in the latest newsletter from Central Office, is anticipating that branches should be able to meet after 21st June.

Perhaps erring on the side of caution, **Wednesday 1st September** is probably a more realistic date to ink in your diaries

Over the coming months, if it is felt that it will be safe to re-commence *indoor* meetings at an earlier date, we will of course give you advance warning of any change.

In the meantime, if there is an opportunity to hold socially distanced *outdoor* “gatherings” as previously suggested, you will be informed of a date, time and venue.
