We are a national organisation with thousands of members who share the same work history and enjoy a variety of pastimes.

Being a member of the NHS Retirement Fellowship is a rewarding experience in itself. Belonging to a branch can be one of the pleasures of retirement. But there's much more to the Fellowship than life in our branches and we are pleased to offer members a range of continually developing benefits as outlined here.

Civil Service Insurance Society

We are pleased to give members access to a variety of CSIS home, motor and travel insurance products.

The Civil Service Insurance Society was founded in 1890 to enable civil servants to purchase life assurance to provide valuable protection for their widows and orphans and now extends to all serving, retired and former civil and public servants and partners. It's not for profit status means it donates all remaining annual surplus to deserving charities (including the NHS Retirement Fellowship) through the CSIS Charity Fund (visit www.csischarityfund.org). In the last five years CSIS has donated over £3.6m.

CSIS sets great store in the provision of quality insurance products and a close

personal relationship between the client and CSIS team. The CSIS office is based in Maidstone and is dedicated to trust and fairness when looking after our customers. You can obtain full details of our home car and travel insurance products at: www.csis.co.uk/nhsrf. If you would like a quote, please call: **01622 766 960**.

Free wills from Accord

The NHS Retirement Fellowship has partnered with Accord Legal Services to offer a completely free of charge will writing service. Accord is one of the leading national providers of wills and estate planning services throughout England, Scotland and Wales and has already helped over 15,000 key workers in preparing their wills since the beginning of the COVID pandemic in March 2020.

The 'Free Wills' offer has been featured on ITV and Granada Reports including the Martin Lewis show. Accord has committed to provide NHS Retirement Fellowship members with a free will writing service and welcome the opportunity to assist you in making your will or offer advice on any other estate planning needs. Including a **Free of charge Will review service.**

Interested members simply need to email **NHSRF@accordwills.co.uk**, stating your interest in a free will and leave your name and contact number. A member of the booking team will be in touch to arrange an appointment.

Alternatively, you can call **01744 807048**. Appointments are conducted by telephone, Skype, Zoom or any other online platform you feel comfortable with and usually take around half an hour. Once instructions have been taken, they are sent to Accord's qualified legal team who will draft the Will and return it by post. Every consultation is bespoke, and every will drafted accordingly. Accord's consultants can also provide advice on a number of other estate planning services, including tax, power of attorney, trust services and probate should anyone require further specialist advice.
