# Genetics and Genomics for the 3rd Generation (3G) conference

*An exciting new public event about DNA, genetics and genomics*

**Wednesday 22nd June 2016, 10am - 2.30pm**

**Park Inn Cardiff City Centre, CF10 2JH**

Like to learn more about the fascinating field of DNA, genetics and genomics and discover how it affects our everyday lives? **Join us for the first ever Wales Gene Park 3G conference!** Hear expert talks on:

**Genetics & health    Ancestry & the DNA Cymru project**

**Biodiversity & conservation    Poisons & medicines**

**DNA barcoding the plants of Wales    Forensic science**

Join us all day or drop in for any of the talks! *There will be a 5 minute break between talks to drop-in or out.* There will also be interactive stands showcasing some of the latest research and projects in Wales.

*The event is primarily aimed at members of the public over 50, but everyone is welcome!*

Attendance is **FREE** but you must register to attend via Eventbrite:
