

The new competition is on the theme of

“Portrait”

The photograph could be of an individual or of more than one subject, in monochrome or colour.

Running in tandem is an additional competition to celebrate

“The NHSRF 1978 - 2018”

Entries may be from the past or can be current and should show some aspect of the NHSRF and that can be used in our 40th anniversary celebrations in 2018

The closing date for both competitions is Friday 9 March 2018. Full details, the small print and entry forms are available on the website

A reminder that the NHSRF Photography Group is calling for digital photographs from members to show what the Fellowship has to offer; perhaps a leisure activity, members socialising, volunteering, walking, taking photographs, playing golf - whatever you think would be interesting to potential members. Every picture that is used by the Fellowship in promotional leaflets, the website, or other publicity materials will attract a £20 gift voucher for the photographer.
